

Dear High School Senior,

It's hard to believe that in a few months, your high school career will be over and your sights will be either on a college career or a working career. Whichever road you take, all of us at Riverview Orthodontics wish you the best of luck.

One of our goals at Riverview is to promote continuing education and encourage our patients to strive for excellence. To help you achieve these goals, we have established a scholarship in the amount of \$500.00 to assist with the financial burden of secondary education.

The purpose of the scholarship is to support, encourage and promote higher education. We want to invest in the success of our patient's future profession.

The criteria for selection shall consist of the following, none of which will be weighted greater than the other.

- A. Scholarship Application Form**
- B. Scholastic Standing**
- C. Evidence of Leadership and Potential**
- D. Financial Need**
- E. Existing or Previous Patient of Dr. Mike Upton or Riverview Orthodontics, P.C.**

We invite you to apply for this scholarship by visiting our website at www.rivervieworthodontics.com, or stopping by our office, as well as getting one from your school counselors. It is our sincere hope that our contribution will encourage you to continue your education.

All scholarship applications must be received by March 31st 2012. The scholarship recipient will be announced in May 2012.

Sincerely,
